1. **Purchase:** Purchase/lease, or contractually deploy a qualifying new HP Product within the defined promotional period. Each claim must have a corresponding approved trade-in unit to receive the eligible rebate amount. Rebate values are determined by the new printer purchased or leased. See the chart in “Qualifying new HP products and Eligible Trade-in Products” section below for rebate and trade-in product details.
2. **Claim form:** All claims must be submitted online at: hp.com/go/cashin2. Complete and submit the online claim form by July 31, 2024. You must upload your proof of purchase (as defined below) at the time of claim submittal.

Any claims received after this date will be rejected. After you submit your online claim, 360insights will send a confirmation email upon review of the claim number and other information related to your claim. Please print and save these for your records. Reference this claim number for questions relating to this promotion.

3. Proof of purchase: A copy of your sales invoice/s (lease or contractual deployment documents) showing eligible purchase of an HP Product.

The Proof of purchase must contain the following information:

- Name and address of the end-user customer.
- Name and address of the HP reseller, in accordance with the statement on the letterhead; and
- Model, serial number, and the purchase price of the HP Product.
- If the rebate is being passed on to the end-user customer upfront by the HP Reseller, the end-user customer invoice must show a line-item detailing the Cash In & Trade Up rebate amount being deducted from the printer price to arrive at the net printer price.
- If further review is necessary, HP reserves the right to request the distributor invoice to ensure that the order was placed on behalf of the end-user customer within the promotional purchase period.
- If the serial number(s) of your eligible new HP Product(s) is not listed on your proof of purchase(s), please write the serial number(s) of your eligible HP Product(s) on the document prior to submitting.
- You must supply the serial number and make/model of the eligible trade-in product during this claiming step as part of the proof of purchase.
- Keep a copy of your entire claim for your records.

Important note: Last day to submit a claim and proof of purchase is July 31, 2024. Each claim must be accompanied by proof of purchase. Failure to attach will result in claim rejection.

4. Recycling trade-in product: You may recycle your eligible trade-in, large-format printer through HP by visiting <https://bit.ly/4ao3NQe> or discussing recycling options with your HP U.S. Authorized Reseller.
5. Cash back¹: Please allow eight (8) weeks from receiving the claim completion email for receipt of your cash back payment. For questions regarding the status of your submission, please email hprebatesupport@email-360insights.com.
